

CRAFTOOL CONVERSIONS

When working with an old pattern design that suggests a tool that you don't have or can't find, the following will help you select a current alternative tool.

BACKGROUND TOOLS:

CURRENT / ALTERNATIVES:

A102

A101

A98 A99

A104-2 A104 A105 A114

A888-2 A888 A889 A118

All background tools serve the same basic purpose, which is to push down and texture background areas of designs. The A98, A99 were originally designed to stamp down small, tight background areas in figure & pictorial carving (around antlers, tree limbs, etc.).
