

Test Page

Make sure you choose A4 and "actual size" in the printing preferences before you start printing.

When you print check if square sizes match

Best wishes and good luck with pattern

Cutting line 

Stiching line 

Cutting peaces and tape together 

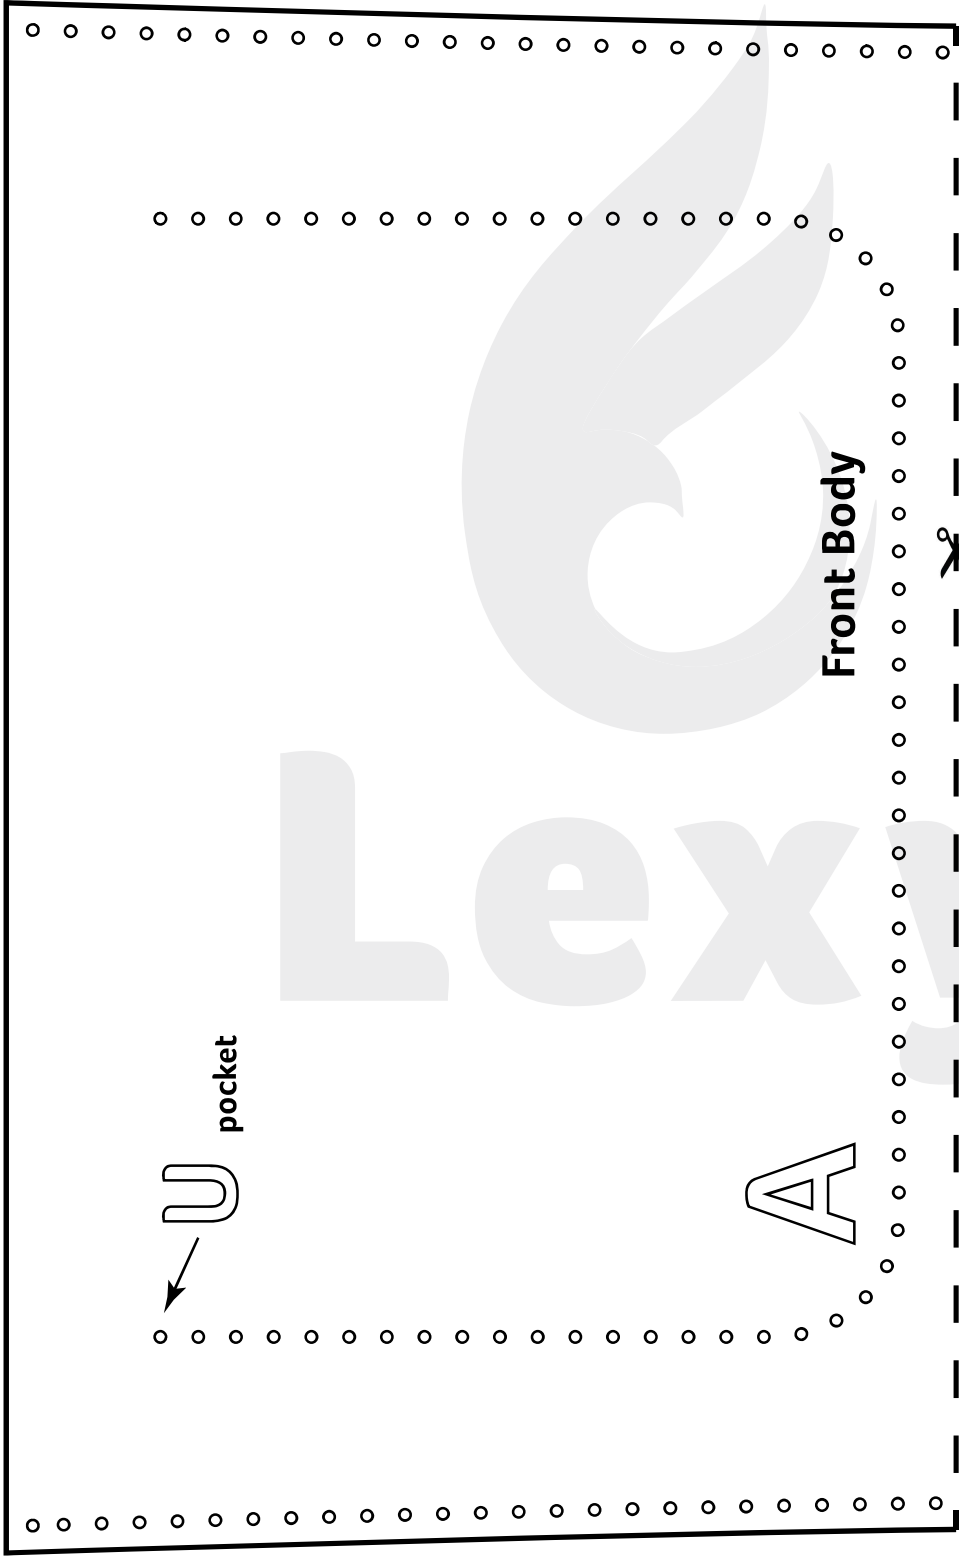

Recomendations

1.0 mm single hole punch and 0.8 mm thread

Note: Stiching holes perfectly match to 1.0 mm hole puncher

Connect A to A with paper tape and then start punching holes

Front Body

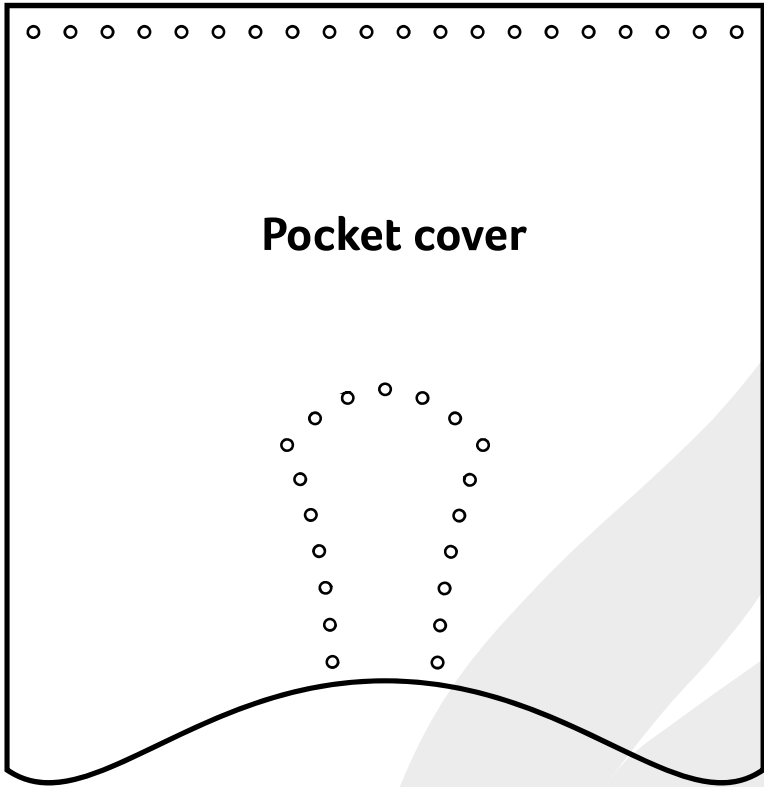

A

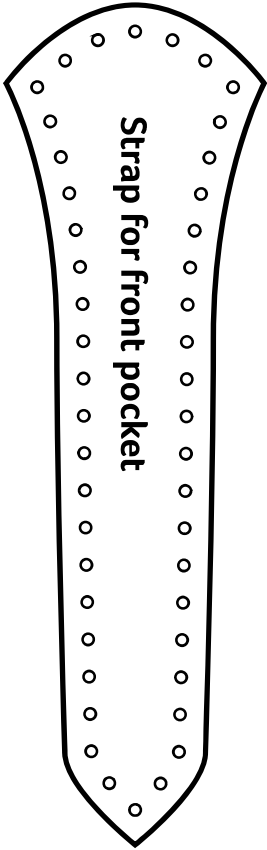

Measure before cutting your tuck slasp lock may be different

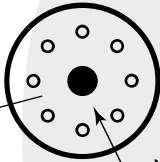

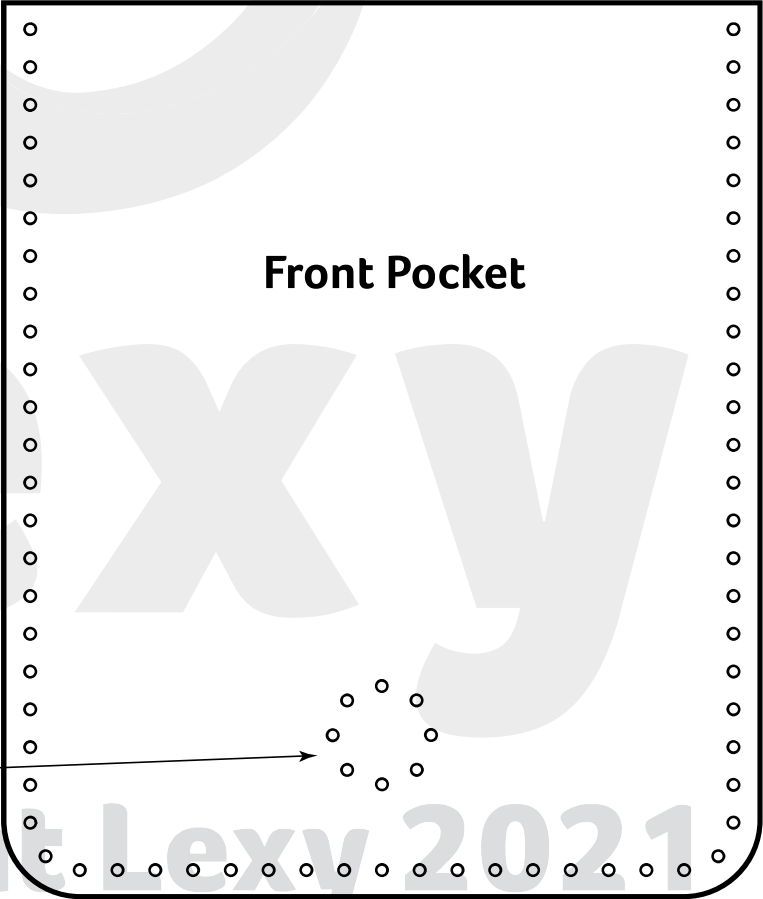

Pocket cover

Strap for front pocket

You will need B style screw here to lock front pocket. Attach B style screw and then stitch it to front pocket, before stitching it to gusset and main body

Front Pocket

U pocket

Upper Pocket
Front body

Front pocket cover strap

L2

Under Logo piece

L1

Logo part

Great place for your logo :)

Burn your logo here **L1** and sew it to **L2** part, after you can attach/sew it to the bag cover

Back Body

Additional Pocket

holes and cutting lines are marked with blue color

This is additional pocket for back body, :)
if you would like to have 1 extra pocket you can have it!

Additional Pocket

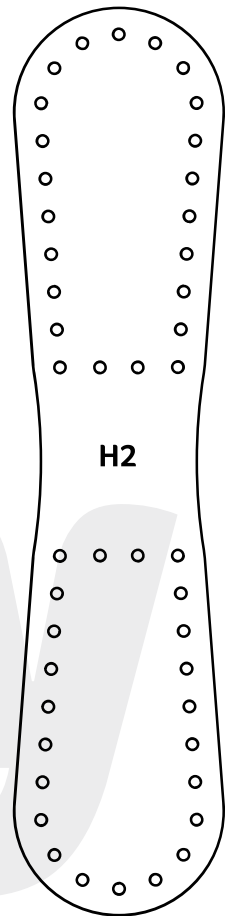

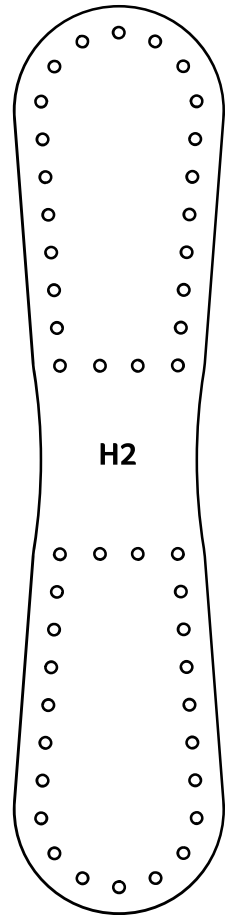

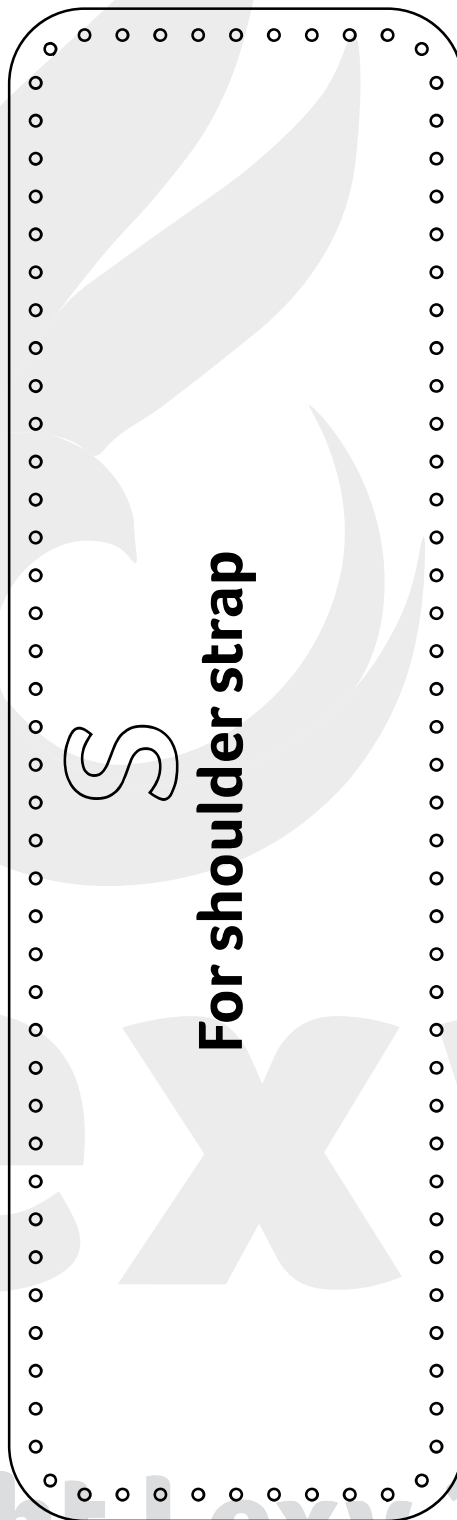

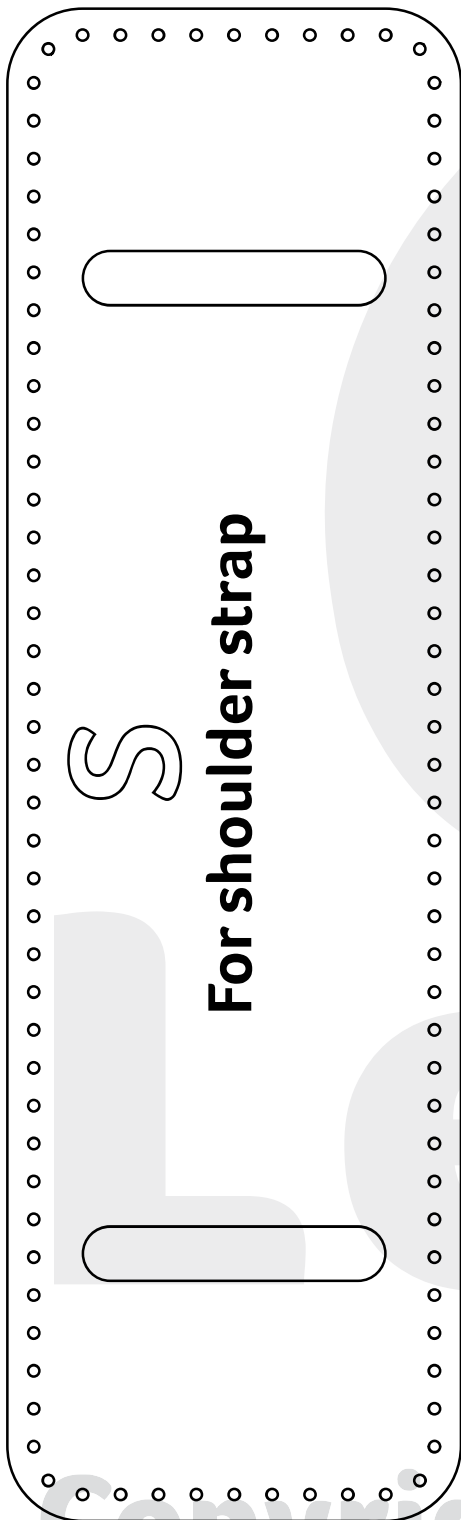

holes and cutting lines are marked with blue color

This is additional pocket for back body, :)
if you would like to have 1 extra pocket you can have it!

Back Body

For shoulder strap you have to cut 3 cm wide strap to your desire lenght
and then attach swivel hook locks to it. **H1** and **H2**

Dont forget to put strap inside **S** and after attach H1, H2.
or you can make your own strap!

Additional Pocket

holes and cutting lines are marked with blue color

**you can add extra pocket if you like :) i didnt wanted so its up to you.
You can stitch it from outside or from inside the bag <3**
