

To make a bracelet according to your size, fold the template or, on the contrary, cut and add the required piece of paper.  
The drawing shows a size of 185mm for a 170mm wrist.

### Printing Instructions

This document is laid out on A4 paper.

This pattern is actual size, so whichever size paper you have if you print this document without scaling applied then the pattern will be the correct size for you to use.

Please check measurement with a ruler after printing in order to ensure that no scaling has occurred.
