

Step 1: Use your compass tool to draw lines on leather, 8mm is required.

Step 2: Cut the strips

Step 3: Here is the pattern on the paper, use your awl to poke anchor points on the leather, it is a long and patient work.

Step 4: punch holes with our tool, this tool you can buy from this link:

[https://www.etsy.com/listing/203021117/world-debut-style-punch-to-cut-holes-on?ref=shop\\_home\\_active\\_1](https://www.etsy.com/listing/203021117/world-debut-style-punch-to-cut-holes-on?ref=shop_home_active_1)

Punch holes for the same direction firstly, and then turn back to punch all holes on the opposite direction, patience needed.

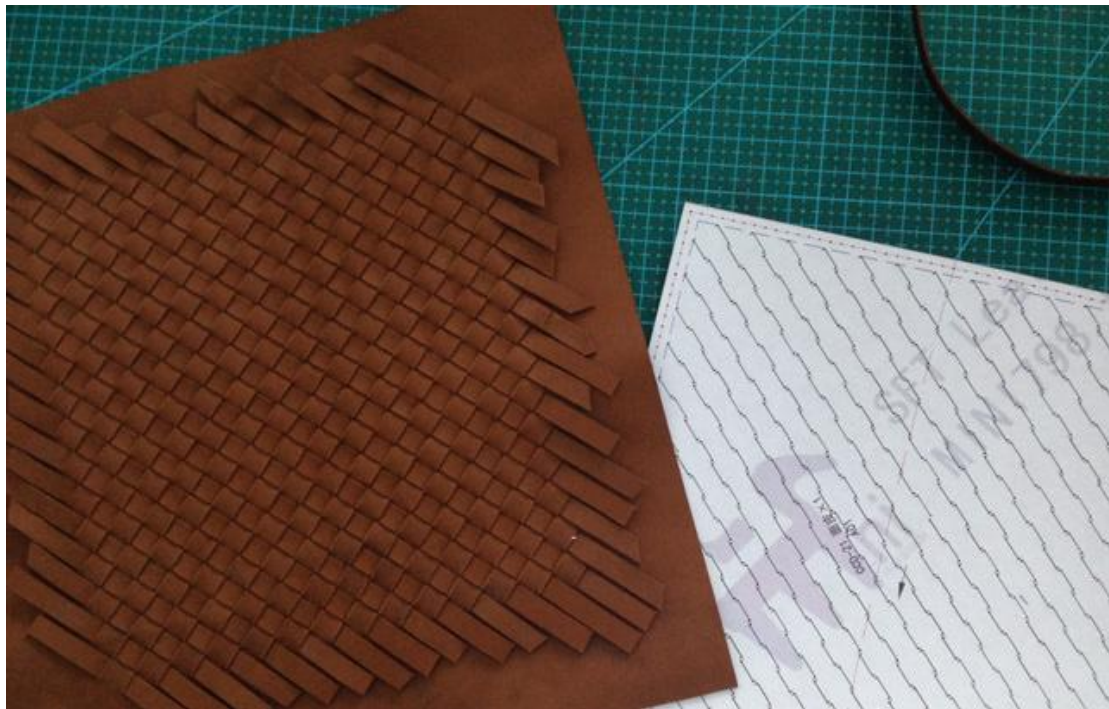

Step 5: Now, weave the leather strips via all holes. You can buy this leather needle easily anywhere.

Step 6: Aha~ great work!

Backside

Step 7: Time to make the wallet now. Only simple steps recorded to mention you how to make it.
