

Lavantia Greek sandals for kids--14cm (free pattern)

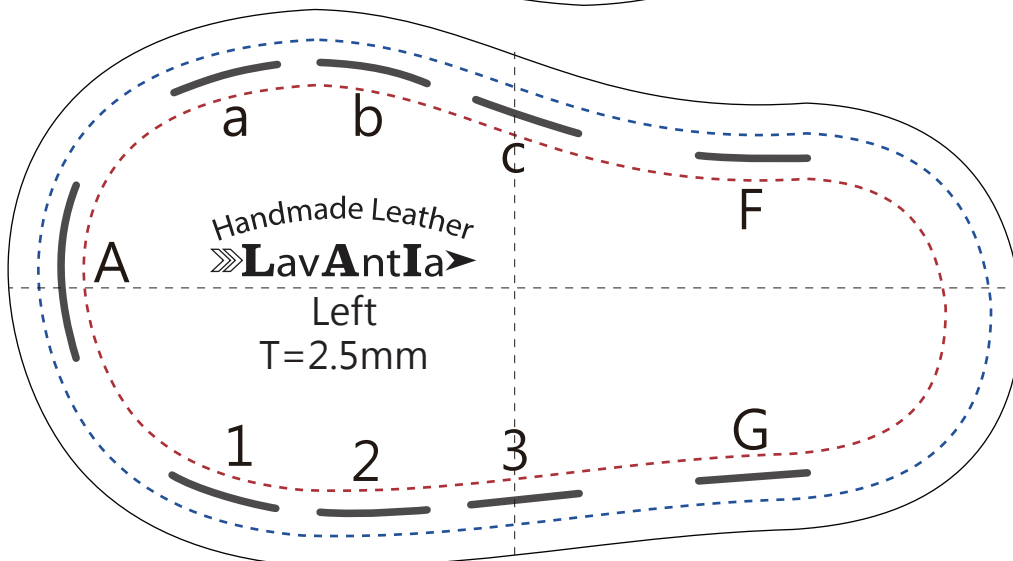

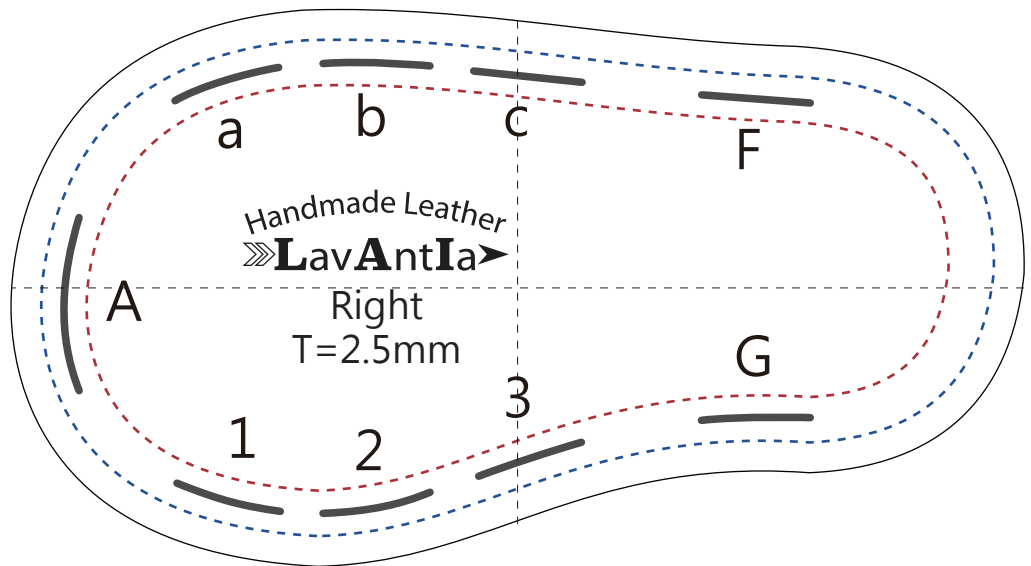

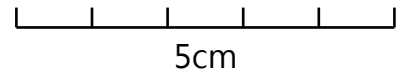

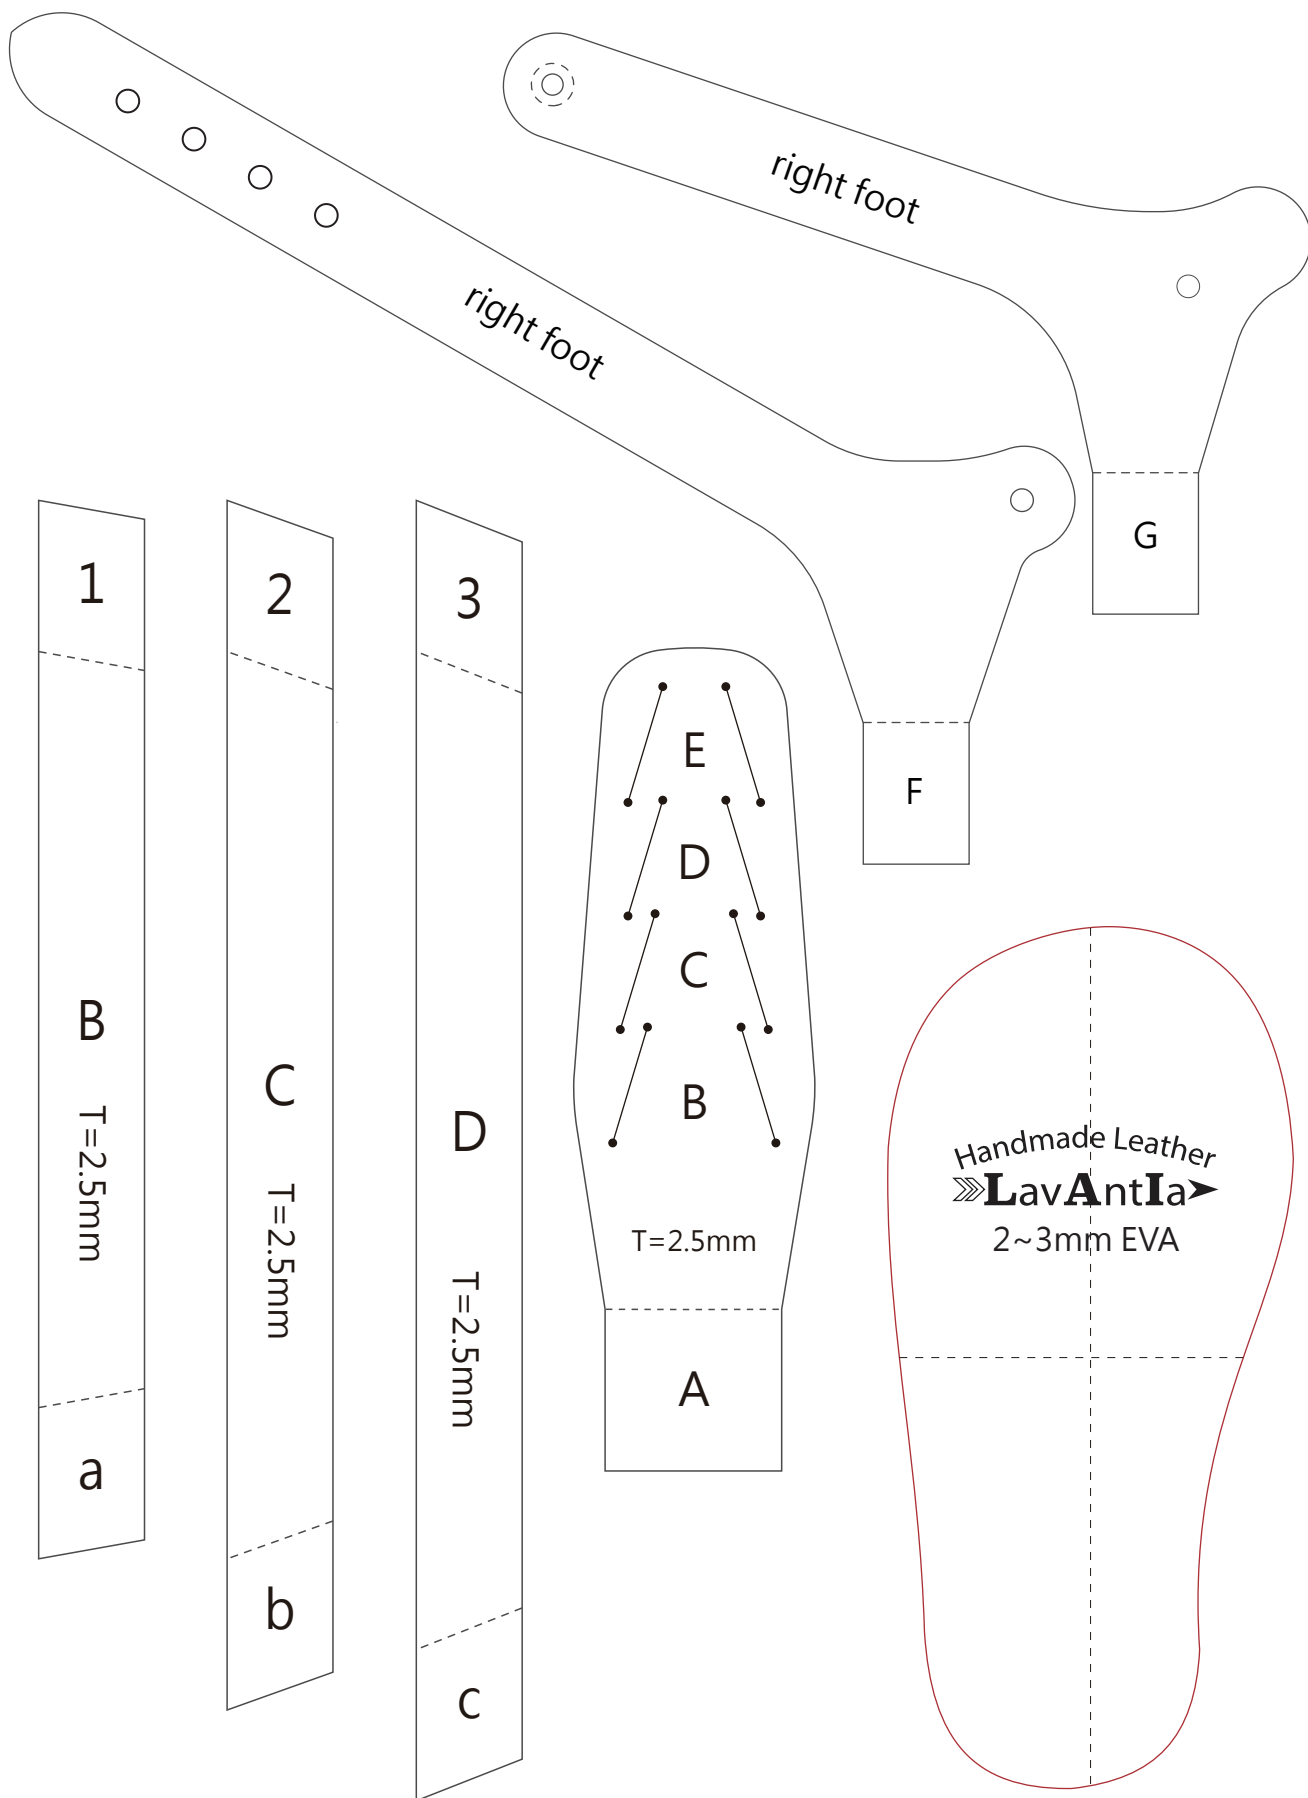

T means total thickness(if you line them).
 Use split leather as insole and foam rubber as outsole.
 For wearing comfort, you may line each piece with softer leather.

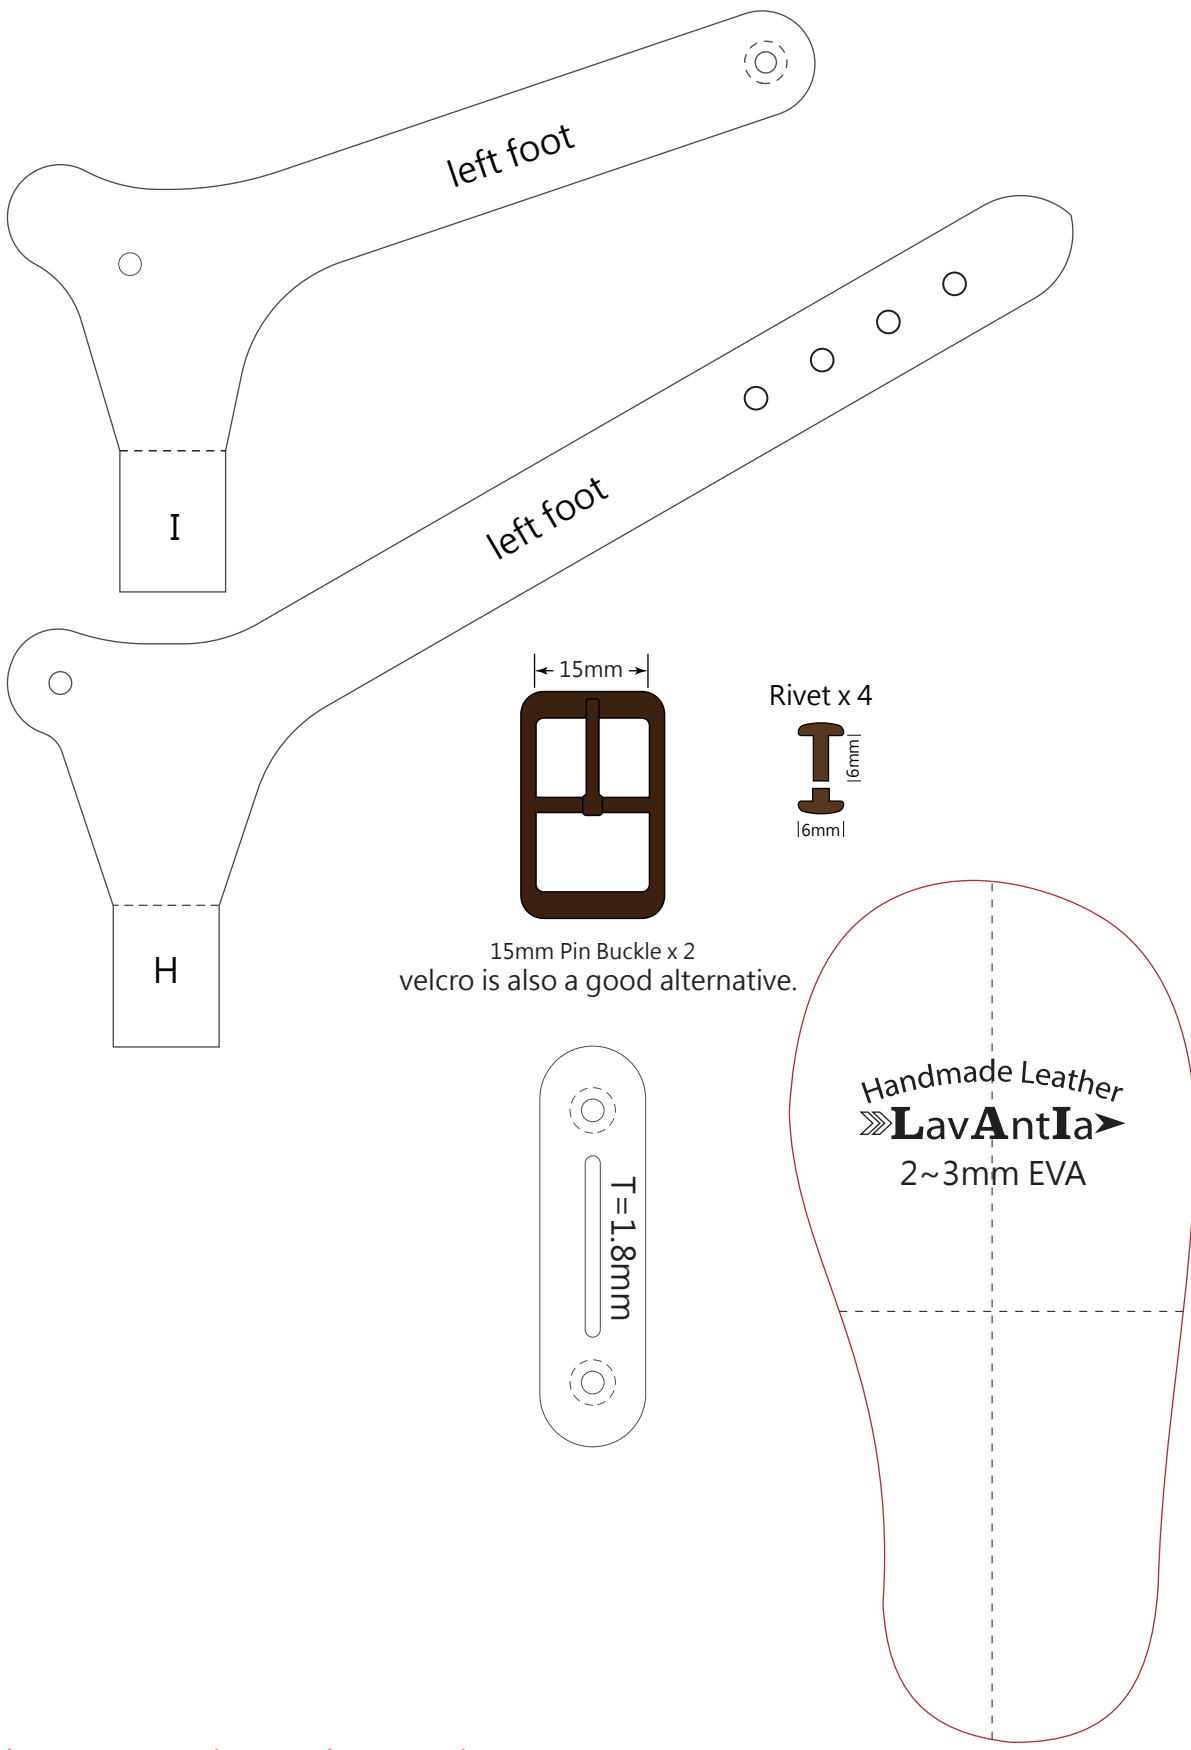

15mm Pin Buckle x 2
velcro is also a good alternative.

Lavantia Greek Sandals Pattern--12cm

T means total thickness(if you line them).
 Use split leather as insole and foam rubber as outsole.
 For wearing comfort, you may line each piece with softer leather.
